**Subject:** Coordination on Santa Clara Valley Water District's Pacheco Reservoir Expansion Project

Hi Keith and Katerina,

My name is Alaina McCurdy and I'm with EPA's WIFIA Program run out of EPA Headquarters. WIFIA is a loan program for water and wastewater infrastructure projects, and has invited Valley Water to apply for their Pacheco Reservoir Expansion Project. I expect their WIFIA application to be submitted in the near future and was given your names by Valley Water. I'm the environmental reviewer assigned to this project, responsible for the NEPA review, ESA and NHPA.

It'd be great to set up a time to chat about the project and coordinate our reviews. Please let me know if any of these times over the next week work for you both.

Friday 3/25 2-3pm ET (11-12pm PT)

Monday 3/28 12-4pm ET (9-1pm PT)

Tuesday 3/29 12-2pm ET (9-11am PT)

Wednesday 3/30 2-4pm ET (11am-1pm PT)

Thanks,  
Alaina
